

Interest rates on deposits of legal entities

The Interest rates for all types of deposits of legal entities are determined according to the Decisions on interest rates of Stopanska banka AD - Skopje.

On the positive balance of transaction and sight accounts in denars and in foreign currencies of legal entities, Stopanska Banka AD Skopje calculates and pays interest at an interest rate of 0.00% pa.

Interest rates for time deposits of legal entities are subject to agreement between the client and the Bank depending on the term, amount, currency and the purpose of the deposit.

The conditions under which the funds are deposited are regulated with an appropriate contract between the client and the Bank.

With respect,
